

# Collington and Ninfield Surgeries

Newsletter  
May & June 2021

## Covid-19 Vaccinations

The vaccination programme is continuing well in our local area.

We are currently only inviting patients back in for their second vaccinations.

Everyone who needs to book their first vaccinations will now need to book online or by calling 119.

## Proposed Merger

Thank you for everyone who completed the questionnaires.

The discussions for the proposed merger are still ongoing and we will be able to give you more information in due course.

## New Premises for Collington Surgery

The plans are going well for the new surgery.

Further information will be available to all of our patients in due course.

## PPG for both Surgeries

We had a further Patient Participation Group meeting on 14<sup>th</sup> April.

It is only a small group at the moment, and we would welcome any other patients from both Collington and Ninfield Surgery to join us.

Our next virtual meeting is on Wednesday 19<sup>th</sup> May at 10.30am. Please contact your surgery if you would be interested in joining.

## PPG Members Introduction

### Liz Pearce (Chair Person)

My name is Liz Pearce and I live in the Collington area of Bexhill.

On moving from the very North of England with my family I resumed my career as a Registered Nurse by working within the NHS in our area.

I am lucky to have had a long and rewarding career.

I was privileged to be part of Hastings and Rother Samaritans as a listening volunteer for five years.

Now retired, I am an avid reader, a reluctant gardener and a keen traveller.. when allowed.

### Valerie Yates (Secretary)

My husband and I moved to Bexhill in September 2017. Prior to that, I worked as a Primary School Headteacher in an East London Borough. I very much appreciated the support of my Governing Body in their "critical friend" role and I hope the Practice staff see the PPG in a similar way. I had been involved in a school merger as well as a new build project.

I volunteer at Bexhill museum and I am part of its Education Team. I am also a member of Beulah Baptist Church in Bexhill.

### MOHAMED OMAR KHAN BSc (Hons) CEng MICE MCIEM CEnv

From a family of medical profession, I have been a resident in Bexhill for 45 years. I have 40 years' experience in the water industry with 25 years in management roles including project management in the UK and abroad. After my professional career, I have been active as a school governor, Stem Ambassador, and established Bexhill Islamic Centre. I am a trained first aider and a trustee of Bexhill Islamic Association and Hastings & Rother Interfaith Forum. As an experienced team player I look forward to serving the PPG to achieve its goals.

**NHS**  
Test and Trace

**COVID-19:  
VARIANT OF CONCERN IN YOUR AREA**

**REGISTER YOUR  
TEST TO GET  
YOUR RESULT**

By taking part you are helping us to keep track of the new variants of Covid-19. You must register your test to get your result.

You will need your test kit barcode.

To register your test go to:  
[www.test-for-coronavirus.service.gov.uk/register-kit](http://www.test-for-coronavirus.service.gov.uk/register-kit)  
Or scan the QR Code on the right with your mobile.  
Or call 119.

If you develop any Covid-19 symptoms then immediately self isolate and get a test at [gov.uk/coronavirus](http://gov.uk/coronavirus), visit the **NHS COVID-19 app** or call 119.

**NHS**  
HM Government

**Join the millions  
already vaccinated**

We'll let you know when your  
Covid-19 vaccine is ready for you.

EVERY VACCINATION  
GIVES US  
**HOPE**

# Free testing for everyone

Did you know that everyone in East Sussex can now get a free, rapid test to check they're virus-free?

You can book regular tests (twice a week is recommended) at a range of pharmacies across Sussex if you have no symptoms.

You can also collect kits to test yourself at home. Results from these lateral flow tests are ready in 30 minutes.

If you have coronavirus symptoms you should book a visit to one of the testing sites across East Sussex or call 119 for further advice.
